25X1 5. [] LIAISON Received a call from Chuck Snodgrass, House Appropriations Defense Subcommittee staff, who said he wanted to report on the briefings he and the members of the Defense Subcommittee received from our people at various stops on the recent trip to Europe. He said to use the terminology of the Navy it was a job "well done." He noted also that our advance work in connection with the trip had been useful and he would encourage it in the future.

25X1 We talked a bit about budget presentations and he indicated that the Subcommittee would be interested in the new organizational structure and its impact on the FY 79 budget. He is particularly interested in changes which will be brought about as a result of establishing the positions of the Deputy for Resources and the Deputy for Tasking. He asked when [] is expected to take over and I told him I thought fairly shortly but I would check and let him know.
